September is CRAZY BUSY! At least for the first of it.

First, we have It's Magic on September 10 – this is an all-hands-on-deck type of event. There are many opportunities for you to help make this a success. We need backstage helpers, ushers, concession stand workers, security, etc. This is our 32nd show and I've been here for most of them, and I can remember we would have 20 or more people helping in various ways--it was a club event.

Sunday, September 12. Then on Sunday, September 12, is the Lance and Mac Cool Kentucky event at the Frazier Museum (Sold Out). Several members will be on hand performing close-up and our International Brotherhood of Magicians President, Ken Scott will be on hand to present some presidential citations. I'll be representing the Society of American Magicians and presenting some Presidential Citations on behalf of Tom Gentile, the S.A.M. President.

Monday, September 13. Lecture! We will have a lecture by Ken Scott at the Springhill Suites meeting room. Springhill suites is on Philips Lane across from the Fairgrounds. Ken is a family entertainer and a great guy who lectures at the Kidabra Convention so this should be a fun lecture.

That's it for September, we start the month off with a Bang! Then can relax the rest of it. We'll be back at St Lawrence in the community room on October 26 for another magical get together—our theme might be spooky magic or illusions.

See you at It's Magic and on the 13th for a great lecture.

Mike
