*Start practicing for the 2017 Dr. Robert Escher Close-up and Parlor Competition. We want to see your best in November!*

**Wednesday November 8 - Saturday November 11**

THE WORKSHOP is produced by David Sandy for IBM Ring 129, and is known for its unique approach to learning strong commercial magic from some of today's hottest working pros... in an intimate, small-group environment. It's strictly limited to only 200 participants where you will learn, hands-on, from some of the greatest performers in the business! Some of the talent has already been announced and more surprises are on the way. (The talent so far really is amazing: Jeff Hobson, Joshua Jay, Michael Ammar, R. Paul Wilson, Michael Close, Chipper Lowell, Tom Burgoon, Mike Pisciotta, Christopher Carter, Tim Hannig, Greg Gleason, Christopher Hart, and Mark Kornhauser.)

Unlike traditional conventions, the focus is on learning very strong commercial magic in an intimate setting. In addition to numerous learning events and hands-on sessions, you'll enjoy close-up shows, stand-up shows, a banquet and dinner show (yes, the meal is included!), some great impromptu performance moments and fellowship, plus an unbelievable stage show at a historic theater. And the show is performed largely for laypeople.

Registration is limited to only 200 participants in order to keep the event intimate! This year, we also have an even better hotel rate of \$79/night. We'd love to see people from your club because you are such a short drive away from St Joseph.

For complete details, visit [www.ring129workshop.com](http://www.ring129workshop.com) or call David Sandy at (816) 233-4177. You can also find out a lot of information on our Facebook page (Including some info about each performer): <https://www.facebook.com/Ring129Workshop>

**LMC members and guests meet informally for dinner  
around 5:30 p.m. on meeting nights.

# My Monthly Musings

Jim Harris, President

The picnic was a great success - if you missed it, you missed a good one (however, we will do it again next year). I think this is the first year we actually made money on the picnic, thanks to Ray Adams and Dennis Alm. The auction was a big hit and we will probably do it again next year.

If you sold a prop at the auction, your check should be arriving shortly. If we don't have your current address, we'll give it to you the next time we see you.

There is no monthly meeting this month (September). "It's Magic" will be held on September 8th at 7 PM. Please support the club - come to the show, and bring a few people with you. If you can't make it to the show, buy a ticket or two and give them to someone. One of our club members bought (10) tickets and donated them to The Family & Children's Place.

If I don't see you at the show, I'll see you at the October meeting.

Jim

## From the Editor:

### TIMES CHANGE

Yep, That's me, at least a younger version of me, performing the walking knot trick in a tux w/ tailcoat. I had hair and I was about 80 pounds lighter. I'm amazed at how the time flies and how quickly things change. Here we are already in September and preparing for our BIG fundraiser of the year.

The *It's Magic!* show is so important for the club as it provides the necessary funds that allow us to bring all the talented lecturers to the club that we do. Yet I see such a lack of support from our membership. We could be like other magic clubs and charge you \$20 - \$25 a lecture but we do this fundraiser every year to bring money in so you don't have to pay a lecture or meeting fee. I've been on the show several times and I can almost count on my hands the number of members I see in the audience.

If you've never been to one of our *It's Magic!* shows please come check it out. If you can't come buy a couple tickets and give them to a family member or neighbor so they can enjoy an evening of magic. I hope to see you there, and maybe this year I'll need more than my two hands to count all the members in the audience.

I'm finishing up the details for the Holiday banquet, we'll have sign up forms in the next two bulletins. We are doing the plated dinner again this year as most people liked it and we didn't run out of food!! The show is set, but I would love to have some walk around table magic so if you're interested in providing some table magic let me know.

Remember to share the magic and if you know someone interested in magic invite them to a meeting. See you at the *It's Magic!* show or the meeting in October.
