CALLING ALL LMC MEMBERS!**HIT ME WITH
YOUR BEST SHOT**

We are auditioning for our It's Magic! show, and we want to see YOUR Best Trick! Show us your ONE BEST TRICK! If you would like to be on this years show please contact David Garrard and let him know. Send a description of the effect and if possible a video to garrard@bellsouth.net

**Have you checked in at our official LMC Facebook Group?**

This is a closed group - meaning only members and friends of the LMC are invited to attend. This gives us another place to talk about magic, we can announce our shows, let you know about magical happenings in between meetings and just hangout and chat about magic.

Here's the link, if you haven't joined - request to join today and one of the administrators will get you in the group. <https://www.facebook.com/groups/202018196513920/>

**LMC members and guests meet informally for dinner
around 5:30 p.m. on meeting nights.

and Panera Bread when meeting at the Kosair Charities Centre**

We were sad to hear of the passing of one of our long time members, Dr. Dale Feister. Dale was a magician, inventor, and manufacturer of unique magic effects. Dale died on May 17. In addition, one of our new members, David Christopher, also passed away last month. He had a heart attack the third week of May, and never recovered. Please keep his family in your prayers, as well as Dale's wife Elsie and their family.

The Magic and the Wonder was a great success once again! Patrick Miller somehow makes it a little better each year. If you missed it, make plans now to see it in 2017. The show may move back to the Palace due to scheduling conflicts.

Our next meeting is the LAST Tuesday of this month. Let's have a big crowd for Mark Strivings.

See you then.

Jim

From the Editor:

The Magic and The Wonder was a big hit, everyone seemed to like the show and I know they loved the close-up in the lobby before the show - all of us had huge crowds surrounding us begging for more. Congrats to Pat and Janice for all the money they raised for the charities.

Michele and I had the opportunity to see Phantom of The Opera at the Kentucky Center--the music is amazing! The show we attended had the understudies to the Phantom and Christine and they blew us away - especially Kaitlyn Davis as Christine she was phenomenal and was probably the best vocal performance of Christine I had seen. I also enjoyed catching the magical illusions and effects being used in the production.

It's time to start telling everyone about *It's Magic!* remember, this is the LMC's BIG fundraiser and is what allows us to have all the lecturers we have throughout the year.

Please tell all your friends, co-workers and family to attend this year's show. We want to sell out the theater! We are also looking for entertainers for the show - and we want to see Your Very Best! *HIT ME WITH YOUR BEST SHOT* is the theme of this year's show and we want to feature several of our club members performing their ONE BEST TRICK! So contact David Garrard today at garrard@bell-south.net if you think you have what it takes to WOW the audience! If you can send him a short video of the trick.

See you at the meeting,

Michael

MARK STRIVINGS

"Mark Strivings is a brilliant creator and innovator of mentalism." - Banachek, World-renowned mentalist

"I received your materials and I'd just like to say that I am thoroughly impressed with all of it. Why you are not more well-known in the magic community is amazing to me. The thing I'm most impressed with is your straight-line methods to achieve the effect with no confusing detours or extra details that will distract from the impact. Over the years, that's how I've learned to distinguish performers who perform for the public (read: real people) from those who make their living basically creating effects or writing books for the magic community but never actually perform for laypeople on a regular basis." - **Jim Sisti Publisher of The Magic Menu, The Journal for Professional Restaurant and Bar Magicians**

"Without a doubt one of the best lectures I have seen for the working pro. Please come back!" - **Stan Alexander, Albuquerque**

A lecture like no other! Material so practical, commercial and workable it will change the way you view mentalism, magic and even kids magic. An incredible mixture of close-up, parlor, stage and strolling material. Truly something for everyone. PLUS Mark brings exclusive world-class materials that are available nowhere else on the face of the planet! This is an opportunity that you do not want to miss!

Mark has lectured and performed all over the United States, performed for 'Monday Night Magic' on Broadway, headlined twice for MINDvention in Las Vegas, lectured twice for Penguin Magic's online series, lectured at the world famous Magic Castle in Hollywood and been a featured lecturer/performer for the Psychic Entertainers Association on several occasions. His material is featured in working professional's acts the world over and he is in high demand as a consultant for many top acts. In addition to publishing over 25 books on all aspects of magic, mentalism and kids magic, being featured on nearly 20 video productions and having released over 60 exclusive commercial releases, Mark has been published in Genii, the Linking Ring, Magic Magazine, M-U-M, Laugh-Makers, Syzygy, The Magic Menu, Magick Magazine, The Altar Flame, Oracle Magazine, Vibrations and more.
