## Thursday, May 10 Lecture by Adrian Vega

One of the best Close-Up Magicians from Spain working with Criss Angel as the Close-Up Magician in his touring show "The Supernaturalists." Also, Adrian Vega works as an active consultant for Criss Angel, performing in his last TV show "Trick'd Up".

Adrian has received many awards; Spanish Close-Up Champion in 2013, Magician of the year in 2014, Second Prize in the last IBM Convention in USA and People's Choice Award and Obie's F.F.F.F. award in 2016.

In 2017, Penguin Magic and Murphy's released a few of creations. So, you shouldn't miss this unique lecture with a lot of new magic and theory mixed with typical Spanish School of Magic, and his experience traveling with the The Supernaturalists.

You will enjoy it!! Don't miss it!!

*"Area 52 is the name of this lecture, because I was inspired by "Area 51", a special, secret place in the state of Nevada (USA), this place was very near where I was preparing this lecture, one place with a lot of mysteries. Although in this lecture, I will not discover any of these mysteries, I invite you to walk around my "Area 52", where you will discover some of my mysteries with a deck of cards (some of them were part of my multi-award act). You will also see one of my favorite close-up routine, known as Dice Stacking in Mexico. I will share all that I learned these last years as a performer in The Supernaturalists, and as a consultant of Criss Angel in Las Vegas" - Adrian Vega*

### Individual Tricks:

- ♠ Screwed Card.
- ♠ Headache (Card in the bottle).
- ♠ Yes, WE CAAN. One of the cleanest versions of Card At Any Number with a killer ending--showing the deck is blank.
- ♠ The Propheteer. A great tool that you will always have in your wallet. A "normal bill" that will allow you to perform the card in the box, but this time in clear view and much more organic.

These effects are manufactured by Murphy's Magic and Penguin Magic.

You can visit his website at <https://www.adrianvega.es/>

**LMC members and guests meet informally for dinner  
around 5:30 p.m. on meeting nights.**

## OUT OF MY HAT

Michael Raymer  
President

A well attended March meeting experienced a lecture by Bill Cook, and I thought Bill's performance and explanation of the Chicago Magic Masters and their effects were excellent. I might be mistaken, but I believe he was our first lecturer who used a PowerPoint presentation during his lecture. Bill not only performed but taught the effects in detail.

By the time you read this bulletin, the Kentucky Derby will be a memory. Congratulations to the 2nd place winner, Good Magic. I couldn't help but place a bet on him with a name like that. That's what the Louisville Magic Club is all about -- a place to see and learn Good Magic!

Our May meeting will be a lecture by Adrian Vega, a close-up magician from Spain and a consultant to Criss Angel. I'm sure we will experience some exceptional close-up magic.

If you can, get tickets to see The Magic & The Wonder, Pat Miller's annual magic show, that benefits Kossair Charities. This year's show features some fantastic performers.

In June we will have a lecture by Dan Fleshman. Please make a note that Dan's lecture will be at the Sheraton Four Points on Crittenden Drive. To keep up to date on magic in town and club events check into our website, facebook group and page.

See you on May 10th!

Michael

"...the greatest secrets are always hidden in the most unlikely places. Those who don't believe in magic will never find it."

-- Roald Dahl

## Bulletin Editor Needed

We are in need of a bulletin editor for our monthly bulletin. If you like writing, art or are creative this is for you! As with all positions, this is a volunteer position but training will be provided.

If interested contact President, Michael Raymer.

### EDITORIAL NOTE:

Please have all articles for inclusion in the next bulletin issue to us by the 20th of the Month.

**We're LIVE!** Steve Haffner, our new webmaster, has worked hard on getting our new web site up and running and we are now live. The new site is designed to show up better on all your devices. So go check us out at [www.louisvillemagicclub.com](http://www.louisvillemagicclub.com).

*It's Magic!* is our annual fundraiser for our club. The proceeds from *It's Magic!* helps to offset the cost of lectures and room rentals so that you can attend all our events just for the price of your dues. Many other clubs charge \$15 - \$25 per lecture in addition to the membership dues.

This year's show will be our **30<sup>th</sup> Anniversary Show!** We will once again be printing a program for the show. Everyone who advertises will get a number of tickets to the show. If you know a small business who would be an advertiser, please let us know. If you are a performer who gets PAID for performing, this is a great opportunity to advertise YOUR magic show too!

The cost to get quality lecturers is increasing every year, so let's make this our biggest year and sell out the theater! David Garrard, our show producer, is pulling out all the stops and this will be one of our best shows yet! But, to be successful, we need YOU and your support! Backstage helpers, curtain pullers, performers, or just buy a ticket! Tickets for our show are only \$10 for adults and \$5 for kids so start spreading the word.
