Last month we hosted Duane Laflin, and what a great lecture it was! Duane is a great guy, and he and his wife Mary are full time performers. We were lucky to grab him when he was in the area. If you ever get out to see Mt. Rushmore, catch their evening stage show. Their theater is just a few miles from the park.

Our friend and Louisville native Mac King will be one of the performers May 20 for Gilda's Club. The show will be at the Kentucky Center for the Arts. It's for a good cause - get your tickets now before they sell out.

See you on the 25th.

## ***From the Editor:*** ***BRING YOUR A-GAME!***

Well, I was very disappointed that the Kentucky Wildcats didn't make it to the final four this year! They were just out played. They didn't bring their "A-Game" to the championship. Lots of fans made excuses...the refs made bad calls, the rims were crooked, the balls were deflated....but it all boiled down to one fact...they were out played.

This year in July we will get a chance to see some of the best magicians in the world compete at the combined convention. You can bet that every one of them will bring their "A-Game"! There is a lot of money and prestige on the line and only the best will compete. So I hope everyone of you have had a chance to make your reservations so you can come and be inspired!

It's not too early to start getting ready for our own *Dr. Robert Escher Close-up and Parlor Competition* that we hold in November. We want to see your "A-Game" as you compete against fellow members. So start practicing now and get that routine solid.

If you want to see some adult comedy, help a good cause and see our very own Mac King you can see Gilda's Club Night of Laughs on Saturday, May 20, 2017 @ 7:30 PM at the Bomhard Theater. This year's performers include Debra Clary, Lee Davis, Ankur Gopal, Mark Kull, Stephanie Von Trapp, and Vegas Headliner Mac King! See more here: <http://kentuckycenter.org/all-shows/gildas-night-of-a-thousand-laughs>

*I've performed at Gilda's Club several times and they are a great group of people doing amazing things for people with cancer.*

Start thinking about places we can hang posters for our It's Magic! Show. Remember this show is what helps to pay for all these wonderful lectures we have, our picnic and our holiday banquet. A sell-out crowd ensures we have great programming the following year!

# Mark Leveridge presents **E-Club Pro – Live!**

The lecture I am bringing is called **E-Club Pro – Live!** **E-Club Pro** is my online magic club and information resource which comprises of a huge amount of magic ideas, advice and information, and normally it is only paid up members who get access to the 650+ pages of content that is currently available.

For the lecture I have selected from the **E-Club Pro** content base a variety of magic routines for close up, stand up and mentalism, and I will perform and fully explain each effect. There's magic with coins, cards, finger rings, pens, rope, silks, credit cards, purses, even DVDs, so I really hope the members will enjoy all the material I have to show them. The methods that I use are practical and do not require difficult sleights or moves, so I'm sure the guys will all come away with something they can use. I have presented versions of this particular lecture on US club tours for the last two or three years, and I'm pleased to be returning again this year.

This latest club evening enables me to bring to your clubroom selected elements from **E-Club Pro**, my online club and information resource. During the evening I will:

- perform and explain useful moves extracted from the **Tool Box**
- offer new ideas and routines for my marketed products from **The Archive**
- present effects from the Vintage Vault that will never have been seen live before
- talk through some of the interesting questions that have appeared in the **Advice Centre**
- recount some of the amusing stories of my performing experiences from **It Could Only Happen Live**

**E-Club Pro - Live!** will provide a really entertaining and enjoyable evening full of magic to learn and advice and stories to entertain. The included material is normally reserved for online viewing only by paid up members of the club itself, so this is a great chance to experience some of the Club's contents live in your clubroom.
