Challenge of the Month

Learn Palming Techniques

Take some time this month to learn some new ways to palm a card. Come to the September meeting and show us a trick that involves palming!

**LMC members and guests meet informally for dinner
around 5:30 p.m. on meeting nights.**

OUT OF MY HAT

Michael Raymer
President

At the last meeting, we held the first ever LMC Magic Bag Challenge and then spent the rest of the evening working on card and coin magic. The Bag Challenge was a lot of fun and it was nice to see what our groups developed with their bag of props. It was great to see the camaraderie and hear the discussions and I believe it really helped us to grow as a club by developing deeper friendships. As magicians, we should be able to do magic with anything presented to us and this is exactly what our members accomplished during the bag challenge – if you missed it, we missed you and you missed a lot of fun!

This month is a busy month for us, we start off with a lecture by Matt Fore, a professional comedy magician on August 9th -- You won't want to miss this lecture. Matt will have you laughing, amazed and bewildered. Then you get a week to rest before we have our family picnic on Saturday, August 18 at Sherrell Nunnelley's river house. This is a time to come together as a family and have a magical and fun day. There's a swap meet, magic performances, food, games – did I mention food? We end the night with a show featuring our young (and young at heart) magicians.

In September we have our It's Magic! Show and I know you're probably sick of me saying this but you really need to support this show and buy a ticket. We will have posters and cards to advertise this show and if you know a business that'll let us post a poster please take a couple to do so. If you placed an ad in the program I need your artwork NOW! I have to get the program to the printer and it takes several weeks to print the program.

I'll have a print out of all of our upcoming events at our next meeting so please make sure to pick one up. You can also see what's coming up on our website louisvillemagicclub.com and our public Facebook Page and Group. Remember the Facebook Group is private for LMC members only so that's a great place to ask if you're having problems with a trick or need some magical advice.

I look forward to seeing everyone at our next meeting.

Michael

EDITORIAL NOTE:

Please have all articles for inclusion in the next bulletin issue to us by the 20th of the Month.

From the Editor,

Congratulations to last month's Bag Challenge Winners. If you missed this past meeting, I'm sure there will be another Bag Challenge in the future. This past month I have been delving into a new magic book called Magic and Showmanship: A Handbook for Conjurers. There are not many tricks in it, but it discusses a lot about the art of showmanship and how to present yourself on stage. I'm not too far into the book, but I would definitely recommend it as of right now.

If you are currently reading any new books on magic, feel free to bring them to the meetings and share with other members. The more friends we make in the magic world, the more tight nit it becomes and the more people will become interested in the art.

This coming month, we have Matt Fore lecturing the group. If you have some time, check him out on YouTube. If you don't have the time, come to the meeting and you'll see some awesome magic!

We've also got our club picnic coming up so be on the lookout for more information on that! Contact Bret Sohl for more information on that! We are having a potluck. Sign up for different foods at the next meetings. See you at the next meeting!

Matt

2018 LMC MEMBERSHIP DUES

Annual dues are due by each January 1st.

| | |
|-----------------------------------|---------|
| Magicians | \$40.00 |
| Spouse/Magician's Assistant | \$15.00 |
| Juniors (17 years & under) | \$20.00 |

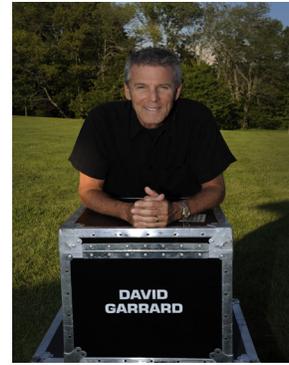

It's Magic! is our annual fundraiser for our club. The proceeds from *It's Magic!* help to offset the cost of lectures and room rentals so that you can attend all our events just for the price of your dues. Many other clubs charge \$20 - \$25 per lecture in addition to their membership dues.

This year's show will be our **30th Anniversary Show** and will feature David Garrard, James Hargrave, Dinky Gowen & Co., Mike Woodward and MC, Tommy Ellison!

We will once again be printing a program for the show. Everyone who advertises will get a number of tickets to the show. If you know or own a small business who would be an advertiser, please let us know. If you are a performer who gets PAID for performing, this is a great opportunity to advertise YOUR magic show too!

This is David Garrard's last year as our show producer and he says this will be one of our best shows yet! But, to be successful, we need YOU and your support! Backstage helpers, curtain pullers, performers, or just buy a ticket! Tickets for our show are only \$10 for adults and \$5 for kids so start spreading the word. Let's help David go out with a Bang! and **SELLOUT THE THEATER!**
