Have you checked in at our official LMC Facebook Group? This is a closed group - meaning only members and friends of the LMC are invited to attend. This give us another place to talk about magic, we can announce our shows, let you know about magical happenings in between meetings and just hangout and chat about magic.

When I attended the National Council for the S.A.M. (Society of American Magicians) they discussed initiatives to update the society and make it more interactive by taking advantage of technology. So this is our facebook page and allows us an outlet to keep you informed and updated. Here's the link, if you haven't joined - request to join today and one of the administrators will get you in the group.

Happy New Year to all!

2016 is already starting out with a bang, with Jim Austin lecturing on the 19th. Jim is an all-around entertainer with something for everyone. And then on February 16, former LMC member Richard Ribuffo flies in from Las Vegas to share his "going pro" experience. You don't want to miss this! He'll be sharing his magic and letting us know what he did right (and what he did wrong).... It's only the first month of the year, and our calendar is almost full.

What a great year for the art of magic!

From the Editor:

## *Happy New Year*

I hope you had a great 2015! We ended the year with a lecture by Harry Allen of Daytona Magic and our annual Holiday Banquet. We had great attendance at our Holiday Banquet with over 85 registrations! It was so good to see a packed banquet hall. We had an excellent dinner provided by the Kosair Staff and probably one of the best magic shows in quite a while.

After a brief routine by President Jim Harris and me, Ray "Magic" Adams took the stage opening with a knife through coat and then his whip cracking and ventriloquism act.

Following Ray were The Masterson's--Reed and Ashton. Reed started off by entertaining us with some fabulous fast paced dove productions. Then Ashton took the stage and showed us some classy silk magic. This duo really knows how to command the stage offering some classic magic with an edgy and upbeat look and performance. Their fast paced magic had you wondering what would happen next. It was a great way to end the year!

Starting off this year we have a magic lecture by Jim Austin, who presents family magic. See the flyer on the back page you can also visit his web site here: <http://absolutelyjim.com/> Those of us who attended the S.A.M. Mini-Summit in Indianapolis, got a chance to meet Jim and we thought he would be a great lecturer/dealer to bring in to our meeting.

Derby City Magic continues the last Saturday of each month at the Laughing Derby on Bardstown Road. It's always a good crowd who are there to see magic. Lets support this monthly show featuring our local talent. Contact Darrin Pearl aka Frankie Foolya if you need more details about performing. Come do some close-up before the show!
