Do A Trick Night

Members will be separated into teams and given a bag of 'props'. From there, you will be given a certain amount of time to 'invent' a new trick and perform it in front of the other groups. Winners will be selected at the end.

Challenge of the Month

Color Changes

Take some time this month to learn some color changes. Pull out one of your old magic books, or find a tutorial on the internet. Come to the meeting in August and show us what you've accomplished!

**LMC members and guests meet informally for dinner
around 5:30 p.m. on meeting nights.**

OUT OF MY HAT

Michael Raymer
President

This month we're trying something different and I believe everyone will enjoy it. Several years ago there was a mini-summit held by the Society of American Magicians in Indianapolis and many of us attended. It was a day of lectures, roundtable discussions, and a performance challenge. We sometimes hear that there are not enough performing and mentoring opportunities at our club so this month we take a break from our lecture circuit and do the magic bag challenge. When we did this at the mini-summit it was a lot of fun to see the creativity that came out of the evening. If you're new to magic don't be alarmed, we will be pairing experienced and non-experienced magicians together.

Coming up next month we have our family picnic which is time to come together as a family and have a magical and fun day. There's a swap meet, magic performances, food, games and maybe even Karaoke. Also in August, we'll have a lecture by Matt Fore. Matt is a professional working magician that does magic and comedy so you're in for a fun evening.

In September we have our It's Magic! Show and I know you're probably sick of me saying this but you really need to support this show and buy a ticket. We will have posters and cards to advertise this show and if you know a business that'll let us post a poster please take a couple to do so. We're also doing a program and are taking ads—so if you know a business that may want to advertise please have them contact us.

I'll have a print out of all of our upcoming events at our next meeting so please make sure to pick one up. You can also see what's coming up on our website louisvillemagicclub.com and our public Facebook Page and Group. Remember the Facebook Group is private for LMC members only so that's a great place to ask if you're having problems with a trick or need some magical advice.

I look forward to seeing everyone at our next meeting—we're going to have some fun.

Michael

EDITORIAL NOTE:

Please have all articles for inclusion in the next bulletin issue to us by the 20th of the Month.

From the Editor,

Hello from your new editor! Thank you, Michael, for the kind words. Here is a little about me. My name is Matt Sohl and I am 25 years old.

I've been in the Louisville Magic Club for 3 years now, and I plan on sticking around for a while. I became interested in magic when I was around 7 years old. I dabbled in it for a little while until I started playing baseball year round. That took over my life until I went off to college. One day I realized that I didn't practice any of my old hobbies anymore. So my New Year resolution for 2013 was to get back into magic. To this day, it's the only resolution I've ever completed. The first move I taught myself was a classic pass. I'm glad I got that one out of the way because it made learning a lot of other sleights much easier.

Apart from magic, I work for a company doing their marketing and social media work. When Michael asked if anyone was interested in the newsletter, I wanted to jump right in and start helping! Michael let me know after that fact that it is a "life-long" position. Also, if you're still reading this, I'm putting the name of a card at the end of this so if you would like to perform a trick for someone and force the card on them, feel free to use my letter for a cool reveal!

I look forward to putting these together for you each month, and who knows, maybe I'll be writing these "Letters from the Editor" in fourteen years.

P.S. Your card is the King of Hearts

THE LOUISVILLE MAGIC CLUB PRESENTS **IT'S MAGIC!** The 30TH Anniversary Show!

Friday, September 7, 2018

It's Magic! is our annual fundraiser for our club. The proceeds from *It's Magic!* help to offset the cost of lectures and room rentals so that you can attend all our events just for the price of your dues. Many other clubs charge \$20 - \$25 per lecture in addition to their membership dues.

This year's show will be our **30th Anniversary Show** and will feature David Garrard, James Hargrave, Dinky Gowen & Co., Mike Woodward and MC, Tommy Ellison!

We will once again be printing a program for the show. Everyone who advertises will get a number of tickets to the show. If you know or own a small business who would be an advertiser, please let us know. If you are a performer who gets PAID for performing, this is a great opportunity to advertise YOUR magic show too!

This is David Garrard's last year as our show producer and he says this will be one of our best shows yet! But, to be successful, we need YOU and your support! Backstage helpers, curtain pullers, performers, or just buy a ticket! Tickets for our show are only \$10 for adults and \$5 for kids so start spreading the word. Let's help David go out with a Bang! and **SELLOUT THE THEATER!**
